

§ 1150.4

control other regulated carriers. Also a list of entities, corporation(s) individual(s), or group(s) who control applicant, the extent of control, and whether any of them control other common carriers.

(2) As exhibit A, any resolution of the stockholders or directors authorizing the proposal.

(g) If a partnership or individual, submit the name and address of all general partners and their respective interests, and whether any of them control other carriers.

(h) If applicant is an entity other than as described in paragraphs (e) or (f) of this section, submit name, title, and business address of principals or trustee, and whether the entity controls any other common carriers.

(i) If applicant is a trustee, receiver, assignee, or a personal representative of the real party in interest, details about the appointment (including supporting documents, such as the court order authorizing the appointment and the filing) and about the real party in interest.

(j) If applicant is an existing carrier, it may satisfy the informational requirements of paragraphs (f) through (i) of this section by making appropriate reference to the docket number of prior applications that have been filed within the previous three years in which the information has been submitted.

§ 1150.4 Information about the proposal.

(a) A description of the proposal and the significant terms and conditions, including consideration to be paid (monetary or otherwise). As exhibit B, copies of all relevant agreements.

(b) Details about the amount of traffic and a general description of commodities.

(c) The purposes of the proposal and an explanation of why the public convenience and necessity require or permit the proposal.

(d) As exhibit C, a map which clearly delineates the area to be served including origins, termini and stations, and cities, counties and States. The map should also delineate principal highways, rail routes and any possible interchange points with other rail-

49 CFR Ch. X (10–1–07 Edition)

roads. If alternative routes are proposed for construction, the map should clearly indicate each route.

(e) A list of the counties and cities to be served under the proposal, and whether there is other rail service available to them. The names of the railroads with which the line would connect, and the proposed connecting points; the volume of traffic estimated to be interchanged; and a description of the principal terms of agreements with carriers covering operation, interchange of traffic, division of rates or trackage rights.

(f) The time schedule for consummation or completion of the proposal.

(g) If a new line is proposed for construction:

(1) The approximate area to be served by the line.

(2) The nature or type of existing and prospective industries (e.g., agriculture, manufacturing, mining, warehousing, forestry) in the area, with general information about the age, size, growth potential and projected rail use of these industries.

(3) Whether the construction will cross another rail line and the name of the railroad(s) owning the line(s) to be crossed. If the crossing will be accomplished with the permission of the railroad(s), include supporting agreements. If a Board determination under 49 U.S.C. 10901(d)(1) will be sought, include such requests.

§ 1150.5 Operational data.

As exhibit D, an operating plan, including traffic projection studies; a schedule of the operations; information about the crews to be used and where employees will be obtained; the rolling stock requirements and where it will be obtained; information about the operating experience and record of the proposed operator unless it is an operating railroad; any significant change in patterns of service; any associated discontinuance or abandonments; and expected operating economies.

§ 1150.6 Financial information.

(a) The manner in which applicant proposes to finance construction or acquisition, the kind and amount of securities to be issued, the approximate terms of their sale and total fixed
